

# Norway

Phillip Pope & Lise Øvreås

The 2019 annual meeting in the Norwegian Society for Microbiology (NFM) was held in Trondheim 11th-12th of June, with the topic: "Applied and Environmental Microbiology". The ISME logo was used in announcing the meeting and also throughout the meeting.

The ISME meeting 2020 was announced by ISME ambassador Phillip Pope (above left), and funds from ISME was used to award a prize to the best presentations by a young researcher (above right) and cover travel expenses for the invited keynote speaker Lindsay Hall, University of Luxembourg (below right)
